---

The public hearing in respect of Environmental assessment for M/S B. C. Mohanty & Sons Pvt. Ltd for expansion of its Baliapal Ferro Alloys Plant by addition of 2 X 9 MVA and 3 X 5 MVA Capacity Submerged Arc Furnace for production of 66,000 TPA High Carbon Ferrochrome / Ferro Manganese / Silico Manganese / Ferro Silicon / Pig Iron or A Combination thereof and installation of one Chrome Ore Beneficiation Plant for production of Chrome Ore Concentrate of 36,000 TPA To 48,000 TPA, At Village Baliapal, Tahasil- Danagadi of Jajpur District held on 20-01-2015 at 11 AM at Khandurai Temple Premises, Khanduraipatna village of Jajpur District with reference to :-

- i. EIA Notification S.O 1533 (E) Dtd. 14-09-2006

The panel consisted of following members:

- i. Sri Bharata Chandra Behera, Additional District Magistrate, Jajpur Road, Dist-Jajpur
- ii. Dr. Anup Kumar Mallick, Regional Officer, SPC Board, Kalinga Nagar.

Sri Bharata Chandra Behera, Additional District Magistrate, Kalinga Nagar, Jajpur Road, Dist-Jajpur, supervised and presided over the meeting, assisted by Dr. Anup Kumar Mallick, Regional officer, State Pollution Control Board, Kalinga nagar and the representative of State Pollution Control Board, Odisha, Bhubaneswar.

At the outset Dr. Anup Kumar Mallick, Regional Officer, SPC Board, Kalinga Nagar welcome the other panel member and the public, gave a introduction about the guidelines to be followed for the public hearing in the light of EIA Notifications 2006 in respect of Environmental assessment for M/S B. C. Mohanty & Sons Pvt. Ltd for expansion of its Baliapal Ferro Alloys Plant by addition of 2 X 9 MVA and 3 X 5 MVA Capacity Submerged Arc Furnace for production of 66,000 TPA High Carbon Ferrochrome / Ferro Manganese / Silico Manganese / Ferro Silicon / Pig Iron or A Combination thereof and installation of one Chrome Ore Beneficiation Plant for production of Chrome Ore Concentrate of 36,000 TPA To 48,000 TPA, At Baliapal village, Tahasil- Danagadi of Jajpur District.

4

Sri Bijay Ketan Giri, Project Manager of M/S B. C. Mohanty & Sons Pvt. Ltd on behalf of the proponent addressed the committee members and assembled public and gave a brief description about the proposed project. Later Dr. (Ms.) Arundhati Tej, Project Consultant also briefed about expansion of M/S B. C. Mohanty & Sons Pvt. Ltd., at Baliapal village, Tahasil- Danagadi of Jajpur District. He also briefed about the peripheral development work that had been taken up in this area, and made a presentation about the environmental management, pollution control measures, waste-management of the related expansion project. The copy of the statement of the industry read out at public hearing proceedings is enclosed.

Regarding public hearing of M/S B. C. Mohanty & Sons Pvt. Ltd at Baliapal village, Tahasil- Danagadi of Jajpur District was publicized at the office notice Board of Kijhara Gram Panchayat, Salijanga Gram Panchayat, Deulakana Gram Panchayat office, Rangagudi Gram Panchayat office, Nariabhanga Gram Panchayat office, BDO Office at Danagadi, Tahasil Office Danagadi, Zilla Parisad Office, Jajpur and local villages of Baliapal, Tomka, Salijanga, Jhumpuna, Kharakhai, Khandurai, Barabanki, Jamuposhi, Nariabhanga, Palasuni, Kaibulgadia, Nauraliposhi, Phuljhar, Sagargarh, Ramthenga, Sukinda and Baghuapal etc.

Dr. Anup Kumar Mallick, Regional Officer, State Pollution Control Board, Regional Office, Kalinga nagar, Dist- Jajpur & representative of State Pollution Control Board Odisha then invited the public to present their views about the proposed project on environmental consideration.

The views expressed by various speakers are as follows:

1	Sri Pratap Kumar Dhir, Deulakana Panchayat
	<p>He welcomed the expansion proposal of the industry. He expressed that this plant is established during the late 1990's. Earlier the entire villagers were depending on cultivation. Due to industrialization the financial status of these villagers slowly improved. Earlier peoples were using bicycles but after industrialization these people are using Motor cycles. His demands were;</p> <ol style="list-style-type: none"> <li>a. Local Employment opportunity</li> <li>b. More peripheral developmental works as done by Tata Steels Ltd. and Brahmani River Pallet Ltd.</li> <li>c. Company should operate the plant following various Rules &amp; Regulations applicable.</li> </ol>
2	Sri Narottam Behera, Sarpanch, Deulakana Gram Panchayat
	<p>He supported the views expressed by the previous speaker. He expressed his sincere thanks to the District Administration for conducting public hearing with respect to expansion of Ferro Alloy plant of M/s B. C. Mohanty. He expressed that villagers gathered here for expressing the views of the local villagers with respect to expansion proposal of M/S B. C. Mohanty. He expressed that</p>

	<p>enhancement of production will lead to more development of the area. His demands were;</p> <ol style="list-style-type: none"> <li>Local employment opportunity,</li> <li>More peripheral work</li> <li>Pollution control measures</li> <li>With the help of local administration local problems shall be fulfilled.</li> </ol>
3.	Sri Dwarika Nath Das, Tomka vilage
	<p>He on behalf of the villagers welcomed the public hearing and expressed that it is a great privilege that the said company has taken initiative for expansion of industry with production. He gave more stress to the local employment. Without elaborating much detail he expressed his views in support of the proposed expansion project.</p>
4.	Sri Sudhansu Sekhar Kar, Salijanga Village
	<p>He expressed that expansion in industrial activity and production will lead to all round development of the industry and generation of more revenue. He demanded that those villagers who gave land for establishment of the industry, should be given priority for employment by the authority benefiting the family members of land looser. He also demanded that more local employment, better education facility and more peripheral developmental works in nearby village area should be taken care of.</p>
5.	Sri Bhagirathi Dalai, Nauraliposhi village
	<p>He welcomed the villagers gathered in the public hearing of M/S B. C. Mohanty. He also welcomed the District Administration for conducting the public hearing. He expressed that he always support industrialization. Expansion project of the industry which will leads to more development and more employment in this area. He expressed that industrialization and production will lead to all round development of the local area and generation of more revenue. He lauded the peripheral developmental works taken up by the Tata Steels Ltd like 200 bed capacity Hospital at Kalinga Nagar area, drinking water supply through Tube wells at different villages, supply of solar lights to nearby villages etc. Kalinga nagar is one of the largest industrial hub in Asia. His demands were;</p> <ol style="list-style-type: none"> <li>Local employment opportunity</li> <li>More priority with respect to employment for the displaced people,</li> <li>Adequate pollution control equipments shall be installed at all the dust generating points. There shall not be any complain regarding dust pollution,</li> </ol> <p>He urged to M/S B.C.Mohanty that with the expansion programme they should provide all types of assistance to the nearby villages.</p>

6.	Sri Niranjana Dalai, Nauraliposhi village
	He expressed that the villagers of Salijanga Panchayat are not fully aware of this public hearing. Public hearing should be conducted at Salijanga Panchayat instead of conducting at this place. He stressed that about 10 persons of this Panchayat are being suffering from illness due to pollution. He also expressed that M/S B. C. Mohanty has been paying very low salary to their employees. He did not support for this proposed expansion project.
7.	Sri Vidyadhar Nayak, Deulakana village
	He expressed his unhappiness towards M/S B. C. Mohanty for not having good public relation with their Sarpanch. He expressed that he is not against the industry, but he is not satisfied for their peripheral developmental work done by M/S B. C. Mohanty. Simultaneously he expressed his happiness towards M/S B.C. Mohanty for having 500 more employment provision in the expansion project. He urged that whatever different proposals are mentioned in the expansion project all should be implemented accordingly.
8.	Sri Pramod Kumar Mahakud, Baliapala village
	He expressed that Industrial hub of Kalinga Nagar was the dream of Shri Biju Patnaik, former Chief Minister of Odisha. He always wanted to develop this area in all respect. Industrialization is the back bone of any development. He expressed that industrialization will lead to more development of the area with respect to health, wealth, education, peripheral developments etc. He welcomed the public hearing as well as expansion proposal of the industry.
9.	Sri Nrupamani Das, Tomka village
	He urged that whatever different proposals are mentioned in the expansion project proposal should be implemented accordingly. He expressed that expansion in industry will lead to all round development of the nearby village and generation of more employment and revenue. He demanded that priority should be given to the local employment and also better educational facility to the children and good road infrastructure facility. He expressed that Kalinga Nagar area is having more greeneries but stressed that the administration should encourage plantation of fruit bearing trees. He requested to the District Administration as well as to M/S B. C. Mohanty for plantation of fruit bearing trees in nearby all villages. He welcomed public hearing.
10.	Sri Upendra Kumar Mahanta, Baliapala village
	He corroborated the peripheral developmental work as done by the proponent is highly appreciated. He expressed that more emphasis shall be given for local employment. He also requested to M/S B. C. Mohanty as well as to the Administration to take initiative for different developmental activities. He demanded that those villagers who gave land for establishment of the industry, should be given priority in employment by the authority benefiting the family members of land losers.

11.	Sri Harihar Mahal, Baliapala village
	He welcomed the expansion project. He demanded that regarding employment issue, priority shall be given first for those family members who given their land for establishment of industry. He demanded that better health care facility, drinking water supply, better education, better road infrastructure facility shall be provided by the industry.
12.	Sri Buddam Singh Jamda, Ramthinga village
	He expressed that expansion in industry and production will lead to all round development in general and employment in particular. He told that this industry has been operated for the three months for trial basis. He gave more stress to the local employment. He urged that some provision shall be made for employment of those people who are uneducated. He demanded that better health care facility, drinking water supply, plantation, peripheral developmental works shall be provided by the authority.
13.	Sri Siddharth Sankar Das, Salijanga village
	He expressed that in the project report employment for 500 people has been mentioned. He told that Salijanga Gram Panchayat is having 17 wards, so more priority with respect to employment shall be given for Salijanga Gram Panchayat people. He also demanded that better health care facility, drinking water supply, education facility, provision of primary health center, plantation, peripheral developmental works shall be provided by the authority. He gave more stress to the local employment with respect to educational priority and agreement with the local Panchayat members.
14.	Sri Ajit Kumar Nath, Salijanga village
	He expressed that always nearby villagers are affected due to industrial pollution. So he urged that Salijanga village is very close to the industry of M/S B. C. Mohanty, so the Salijanga villagers shall be given more priority for different developmental works as well as employment benefit. He requested that public hearing should have been conducted at Salijanga village.
15.	Sri Krupasindhu Keshari, Baliapala village
	He expressed that the Ferro Alloy industry of M/S B. C. Mohanty is situated just 500 m. distance away from his house. He told that expansion in mining activity and production will lead to all round development of the nearby villages. He demanded that priority should be given to the local employment for educated and uneducated people. He also demanded that with the expansion project the authority should provide employment of 500 people as mentioned in project report along with health checkup facility, adequate pollution control measures and also better educational facility to the children. He requested that villagers should be consulted before processing of PDC work. He supported the proposed expansion project.

16.	Sri Tipun Mahal, Baliapala village
	He gave more stress to the local employment. Without elaborating much detail he expressed his views in support of the proposed expansion project.
17.	Sri Sadashiba Nanda, Salijanga Gram Panchayat
	He expressed that only 10% people are aware about the public hearing of M/S B. C. Mohanty. He also expressed that most of the people of Salijanga Gram Panchayat are not aware about public hearing. He told that as Salijanga Gram Panchayat is having 17 wards, so this public hearing should have been conducted at Salijanga Gram Panchayat.
18.	Smt. Sumitra Jamuda, Sarpanch, Nariabhanga Gram Panchayat
	She gave more stress to the local employment. Without elaborating much detail she expressed her views in support of the proposed expansion project.
19.	Sri Ajay Sahu, Salijanga village
	He expressed that he always welcomed the industry of M/S B. C. Mohanty as this industry belongs to one Odiya people. He expressed that the owner of the industry is also having a 44 years old mine. He asked to Additional District Magistrate that, public hearing should have been conducted at Salijanga Gram Panchayat instead of conducting public hearing at Khandurai Temple Premises. He expressed his unhappiness towards his peripheral developmental work in the area.
20	Sri Niranjana Babu, Salijanga
	He welcomed the public and the district Administration for this Public Hearing. Without elaborating much in detail he expressed his support for the expansion proposal of M/s B.C.Mohanty. However, he urged for more employment opportunities for local people.

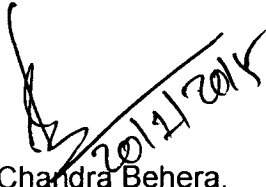

**Observation:**

Generation of local employment opportunity, education, drinking water facility, adequate air pollution control system/Solar power facility, primary health center facility and aforestation etc. were the most important issues emerged during the discussion.

Dr. Anup Kumar Mallick, Regional Officer, State Pollution Control Board, Kalinga Nagar & representative of State Pollution Control Board, Odisha, prepared the summary of the public hearing proceedings accurately reflecting the views and concerns expressed by the speakers with the inclusion of response of the proponent read over to the audience at the end of the meeting explaining the contents in the ODIA Language and the agreed minutes of public hearing meeting was prepared. The statement of issues and concerns of public with the response of proponent, prepared in Odia and English language is annexed herewith separately.

The President of Public Hearing meeting Sri Bharat Chandra Behera, Additional District Magistrate, Jajpur Road, Dist- Jajpur, ratified the minutes of meeting and with the views and demands of public. He then delivered vote of thanks to the public for extending co-operation in smooth conducting of the public hearing proceedings.

The meeting was ended with thanks to the chair.

Sri Bharat Chandra Behera,  
Additional District Magistrate  
Kalinaga Nagar, Jajpur Road,  
District- Jajpur  
Presided and supervised the Public  
Hearing

Dr. Anup Kumar Mallick, Regional  
Officer, State Pollution Control Board,

**STATEMENT OF ISSUES RAISED BY PUBLIC AND RESPONSE OF THE PROPONENT DURING THE PUBLIC HEARING MEETING HELD ON 20-01-2015 AT 11 AM AT KHANDURAI TEMPLE PREMISES, KHANDURAI PATNA VILLAGE OF JAJPUR DISTRICT IN RESPECT OF ENVIRONMENTAL ASSESSMENT FOR M/S B. C. MOHANTY & SONS PVT. LTD FOR EXPANSION OF ITS BALIAPAL FERRO ALLOYS PLANT BY ADDITION OF 2 X 9 MVA AND 3 X 5 MVA CAPACITY SUBMERGED ARC FURNACE FOR PRODUCTION OF 66,000 TPA HIGH CARBON FERROCHROME / FERRO MANGANESE / SILICO MANGANESE / FERRO SILICON / PIG IRON OR A COMBINATION THEREOF AND INSTALLATION OF ONE CHROME ORE BENEFICIATION PLANT FOR PRODUCTION OF CHROME ORE CONCENTRATE OF 36,000 TPA TO 48,000 TPA, AT VILLAGE BALIAPAL, TAHASIL-DANAGADI OF JAJPUR DISTRICT.**

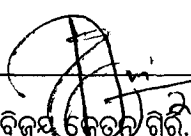

ISSUES RAISED BY PUBLIC	RESPONSE OF PROPONENT
<p>The issues raised at the public hearing meeting are mainly two fold. These are issues concerning to pollution due to proposed expansion and its mitigation and issues relating to development of the area i. e, peripheral development.</p> <p>The issues concerning to control of pollution are</p> <ol style="list-style-type: none"> <li>1. Dust suppression and water pollution control</li> <li>2. Aforestation programme</li> </ol> <p>The issues concerning to development of the area are</p> <ol style="list-style-type: none"> <li>3. Local employment opportunity based on educational qualification and provision for family members of land looser.</li> <li>4. Provision of health care with a Primary Health care facility</li> <li>5. Provision of better educational facility</li> <li>6. Provision of solar light</li> <li>7. Provision of drinking water</li> <li>8. Provision of more peripheral developmental work.</li> </ol>	<p>Sri Bijay Ketan Giri, Project Manager and Dr. (Ms) Arundhati Tej, Project consultant of M/S B. C. Mohanty &amp; Sons Pvt. Ltd., At- Baliapal village gave their comments to certain demands raised by public as follows.</p> <ol style="list-style-type: none"> <li>1. The industry has provided and will provide dust suppression measures at all dust generating points. The unit also agreed to upgrade the existing air pollution control systems with new technology for control of dust pollution as and when required with the expansion programme. Dust suppression and Water pollution control system are already done in compliance with stipulated norms. The same will be continued in future with the proposed expansion.</li> <li>2. Plantation has already done around the factory and outside the factory premises. New fruit bearing saplings will be provided to the villagers in the next monsoon period under plantation programme.</li> <li>3. The industry has committed towards local employment. Priority will be given for local employment and family members of land looser.</li> <li>4. Keeping in view of the health and hygiene issue, the company told that they already appointed one Doctor on contract basis in this area for regular health check up for the locals2.</li> <li>5. Infrastructure facilities will be provided to the nearby village schools.</li> <li>6. The proponent has agreed to provide solar lights to the nearby village in consultation with District Administration.</li> <li>7. For other peripheral developmental works, the industry authority told that PDC works will be carried out with the expansion of the industry and also in consultation with the nearby village committee members and local administration of this area.</li> </ol>

## STATE POLLUTION CONTROL BOARD, ODISHA

(Department of Forest & Environment, Govt. of Odisha)

Paribesh Bhawan, A/118, Nilakanthanagar, Unit-VIII, Bhubaneswar-751012

No.21091/

IND-II-PH- 680

Date.15.12.2014

### NOTICE

It is brought to the notice of all concerned that M/s B.C. Mohanty & Sons Pvt. Ltd. has proposed to have Environmental Assessment for expansion of Ballapal Ferro Alloys Plant by addition of 2x9 MVA and 3x5 MVA capacity submerged arc furnace for production of 66,000 TPA high Carbon Ferrochrome / Ferro Manganese / Silico Manganese / Ferro Silicon / Pig Iron or a combination thereof and installation of one chrome ore beneficiation plant for production of chrome ore concentrate of 36,000 TPA to 48,000 TPA, at-village Ballapal, Tahasil - Danagadi in the district of Jajpur to obtain Environmental Clearance from the Ministry of Environment, Forests & Climate Change, Government of India. The proponent has applied to the State Pollution Control Board, Odisha, Bhubaneswar for a Public Hearing.

By virtue of Ministry of Environment, Forests & Climate Change, Government of India Notification No. S.O. 1533 (E) Dtd. 14.09.2006, the Board has been authorized to conduct environmental public hearing and as such invites suggestions, views, comments and objections on matters relating to environmental aspects of the proposed project from all the persons including bonafide residents, environmental groups and others located at the proposed site / sites of displacement / sites likely to be affected.

For the above purpose, a person will only mean:

- A. Any person who is likely to be affected by the grant of Environmental Clearance.
- B. Any person who owns his control over the project with respect to which an application has been submitted for environmental clearance.
- C. Any association of persons whether incorporated or likely to be affected by the project and/ or functioning in the field of environment.
- D. Any local authority within any part of whose limit is within the neighborhood, wherein the project is proposed to be located.

Persons as above who desire to submit their views, comments, objections etc. relevant to the project, may do so in writing within 30 days from the date of publication of this notice addressing the same to the Member Secretary, State Pollution Control Board, Odisha through Registered Post. Besides this, persons interested to submit their views relevant to the proposed project in writing or orally may also do so during the public hearing to be conducted on 20.01.2015 at 11:00 AM at Khandural Temple premises, Khanduralpatna village of Jajpur district.

Persons desirous of participating in the public hearing may go through the Environmental Impact Assessment (EIA) / Environmental Management Plan (EMP) of the said project which will be available at the following offices. Copy of the Executive Summary both in English & Odia also available in the following offices & the same can also be downloaded from the website [www.ospcbboard.org](http://www.ospcbboard.org) free of cost.

1. District Collector's Office, Jajpur.
2. District Industries Center, Jajpur.
3. In the office of the Chief Executive Officer, Zilla Parishad, Jajpur.
4. In the Head office of the State Pollution Control Board, Odisha, Parivesh Bhawan, A/118, Nilakanthanagar, Unit-VIII, Bhubaneswar-12.
5. Regional Office, State Pollution Control Board, Odisha, Kalinganagar, Jajpur.
6. Department of Forest & Environment (Environment), Govt. of Odisha, Bhubaneswar

For any further clarification in the matter, the Regional Officer, State Pollution Control Board, Kalinganagar or the Member Secretary, State Pollution Control Board, Odisha at Bhubaneswar may be contacted. Suggestions, comments, objections etc. will not be entertained if not submitted in writing within the stipulated period or not submitted in writing or orally during the public hearing.

MEMBER SECRETARY
