

**Proceedings of the Public Hearing meeting held on 10<sup>th</sup> October, 2018 at 10.30 AM at the Play ground near Nadidih Primary School of Village Nadikasira of Nadidih Iron & Mn. Mines M/s. Bonai Industrial Co. Ltd. for expansion of production of iron ore from 5.3 MTPA (4.3 MTPA ROM + 1.0 MTPA low grade iron ore from old dump within the lease area) to 9.0 MTPA (8.0 MTPA ROM + 1.0 MTPA low grade iron ore from old dump within lease area) over an area of 73.855 hectares at villages Nadikasira and Rengalbeda, Tehsil Koira in Sundargarh District.**

The public hearing of Nadidih Iron & Mn. Mines M/s. Bonai Industrial Co. Ltd. for expansion of production of iron ore from 5.3 MTPA (4.3 MTPA ROM + 1.0 MTPA low grade iron ore from old dump within the lease area) to 9.0 MTPA (8.0 MTPA ROM + 1.0 MTPA low grade iron ore from old dump within lease area) over an area of 73.855 hectares at villages Nadikasira and Rengalbeda, Tehsil Koira in Sundargarh District was held on 10<sup>th</sup> October, 2018 at 10.30 AM at the Play ground near Nadidih Primary School of Village Nadikasira.

Sri Bhaskar Chandra Turuk, OAS (SAG), Additional District Magistrate, Sundargarh supervised and presided over the meeting along with Sri Hemendra Nath Nayak, Regional Officer, State Pollution Control Board, Rourkela, Odisha.

At the outset, Sri Hemendra Nath Nayak, Regional Officer, State Pollution Control Board, Rourkela welcomed the public present in the meeting. He briefly described the objective of the public hearing as per the EIA Notification S. O. 1533 (E), dated 14<sup>th</sup> September, 2006 of the Ministry of Environment, Forests & CC, Govt. of India. He informed that, the date, time and venue for conducting the public hearing of Nadidih Iron & Mn. Mines of M/s. Bonai Industrial Co. Ltd. for expansion of production of iron ore from 5.3 MTPA (4.3 MTPA ROM + 1.0 MTPA low grade iron ore from old dump within the lease area) to 9.0 MTPA (8.0 MTPA ROM + 1.0 MTPA low grade iron ore from old dump within lease area) over an area of 73.855 hectares at villages Nadikasira and Rengalbeda, Tehsil Koira in Sundargarh District was advertised in the Odia Daily "The Samaja" and the English Daily, "The Times of India" on 4<sup>th</sup> September, 2018 (**Paper cuttings of the advertisements are enclosed**).

76  
Additional District Magistrate, Sundargarh welcomed the public who were present at the venue for participating in the public hearing and informed about the objective of the public hearing.

On behalf of the Project Proponent, Sri Indrajit Panda, Mines Manager welcomed the dignitaries on the dais and the gathering. He gave a brief description about the proposed expansion for enhancement of production of the mine. He stated that the mine has already obtained necessary approval from Indian Bureau of Mines for modification of mining plan for enhancement of production. The Environmental Impact Assessment and Environment Management Plan was prepared as per Term of Reference issued by MoEF&CC, Govt. of India. Wet drilling, controlled blasting, water sprinkling on haul road through fixed water sprinklers and mobile water tanker are being carried out to control the air pollution. Coir matting along with grass seeding and plantation has been undertaken by the mine over the dump slopes for proper dump management. The mine has also constructed retaining wall, garland drain, settling tank along the toe of the dumps. They have also installed sewage treatment plant for treatment of domestic waste water generated from the mine colony and treated water is re-used. Plantation has been undertaken over dump slopes, safety zone and other vacant areas. He has assured that, the company will continue to undertake the above mentioned dump management practices, air & water pollution control measures during enhancement of production for better environmental compliance. He further stated that, company has provided direct and indirect employment to the local people. The company has also undertaken various peripheral developmental works including free health care facility, drinking water facility, educational facility, sanitation facility, road infrastructure, socio-cultural activities, promotion of sports activity, livelihood promotion and development of livestocks. He has assured that, the company will also continue to undertake these activities during enhancement of production.

The Additional District Magistrate, Sundargarh invited the public to offer their views related to the expansion of production of Nadidih Iron & Mn. Mines of M/s. Bonai Industrial Co. Ltd. Most of the public has supported the proposed expansion project for employment generation and overall peripheral development. The views offered by the participants are enclosed as **Annexure-IV**.

The Summary of the Issues raised by the participants in the public hearing in Odia & English (Vernacular language) is enclosed as **Annexure-V (A&B)**.

Date: 01.09.2018

## NOTICE

It is brought to the notice of all concerned that M/s. Borki Industrial Company Ltd. has proposed to have Environmental Assessment for Naladih Iron and Manganese Mines for expansion of production of iron ore from 5.3 MTPA (4.3 MTPA ROM iron ore + 1.0 MTPA of low grade iron ore from old dump within lease area) to 9.0 MTPA (3.0 MTPA ROM + 1.0 MTPA of low grade iron ore from old dump within lease area) over an area of 73.855 ha, at villages Nadikesira & Rangalbeda, Tehsil Koira in Sundargarh district to obtain Environmental Clearance from the Ministry of Environment, Forest and Climate Change, Govt. of India. The proponent has applied to the State Pollution Control Board, Odisha, Bhubaneswar for a Public Hearing.

By virtue of Ministry of Environment, Forests & Climate Change, Government of India Notification No. S.O. 1533 (E), dated 14.09.2006, the Board has been authorized to conduct environmental public hearing and as such invites suggestions, views, comments and objections on matters relating to environmental aspects of the proposed project from all the persons including bonafide residents, environmental groups and others located at the proposed site / sites of displacement / sites likely to be affected.

For the above purpose, a person will only mean:

- A. Any person who is likely to be affected by the grant of Environmental Clearance.
- B. Any person who owns his control over the project with respect to which an application has been submitted for environmental clearance.
- C. Any association of persons whether incorporated or likely to be affected by the project and / or functioning in the field of environment.
- D. Any local authority within any part of whose local limits is within the neighborhood wherein the project is proposed to be located.

Persons as above who desire to submit their views, comments, objections etc. relevant to the project, may do so in writing within 30 days from the date of publication of this notice addressing the same to the Member Secretary, State Pollution Control Board, Odisha through Registered Post. Besides this, persons interested to submit their views relevant to the proposed mining project in writing or orally may also do so during the public hearing to be conducted on 10-10-2018 at 10-30 A.M. at Play Ground near Naladih Primary School of village Nadikesira under Koira Tehsil of Sundargarh district.

Persons desirous of participating in the public hearing may go through the Environmental Impact Assessment (EIA)/Environmental Management Plan (EMP) of the said project which will be available at the following offices. Copy of the Executive Summary both in English & Odia is also available in the following offices & the same can also be downloaded from the website [www.spcboard.org](http://www.spcboard.org) free of cost.

1. District Collector's Office, Sundargarh.
2. District Industries Center, Sundargarh.
3. In the office of the Chief Executive Officer, Zila Parishad, Sundargarh.
