

PROCEEDINGS OF PUBLIC CONSULTATION (HEARING) OF EXPANSION PROJECT OF M/S SHIVA CEMENT LTD. HELD ON 26-08-2021 (10AM) AT AMBA BAGICHA GROUND OF TELIGHANA VILLAGE UNDER KUTRA BLOCK OF SUNDARGARH DIST. (ODISHA)

Public consultation (hearing) of M/s Shiva Cement Ltd. was held on 26-08-2021 at 10 am at Amba Bagicha Ground of Telighana village under Kutra Block of Sundargarh district in the state of Odisha for their application relating environmental clearance on proposed expansion project of the existing Cement Plant. Addl. District Magistrate (ADM), Sundargarh presided over the consultation (hearing) meeting. In the beginning, the Regional Officer, Rourkela of State Pollution Control Board, Odisha and ADM explained the villagers on the aspects of consultation (hearing) for environmental clearance under E. I. A. Notification, 2006 and invited M/s Shiva Cement Ltd, to address public on details of the expansion project and its environmental aspects for their views onward. Sri Amardeep Mohanty, Dy. Gen. Manager of M/s Shiva Cement Ltd. addressed public on the expansion project and its environmental aspects. ADM then invited the public to address their views on environmental aspects of the project. 37 nos. of villagers opined their views as mentioned below. Attendance sheets of villagers present & signed and who addressed views are annexed in Annexure – 1 & 2 respectively. Dr. Rajan Ekka, MLA (Rajgangpur AC) intervened in the beginning and told to consider grievance of all stakeholders and allow the interested public present to participate in delivering their views.

Sl. No.	Name & Address	Views expressed
1.	Sri Anjustine Minz, Vill. - Koronga	a) Company has failed to provide local employment and control pollution. b) Dust and noise pollution is there due to public hearing in this village. c) Company has violated Covid-19 norms by deploying workers from outside states. Due to this there was spread of Covid-19 and three people were died. d) Company has no dedicated road from State Highway, rather they are using Panchayat road owned by Tribals. e) Local public are opposing this public hearing and it should be postponed. Otherwise they will block the roads in protest.

2.	Sri Mukesh Pradha, Vill.-Parlind	Supported the JSW for local employment.
3.	Sri Kiran Kujur, Vill.-Telighana	Strongly opposed the project and stated that due to expansion of plant and establishment of power plant there will be air pollution, water pollution, ground water depletion etc. Pollution is a threat to entire humanity.
4.	Sri Felex Minz, Vill.-Kurunda	Strongly opposed the expansion project.
5.	Sri Pabitra Kujur, Vill- Telighana	<p>a) There will be air pollution, water pollution and other environmental degradation due to emission of poisonous gas from cement plant such as SO₂, NO_x & Mercury etc.</p> <p>b) Suitable pollution control devices should be installed to control pollution.</p> <p>c) There will be issues of land acquisition etc. The company should discuss with the local inhabitants in Panchayat level for consensus.</p> <p>d) Opposed the project</p>
6.	Sri Pitambar Naik, Vill.- Biringatoli	<p>a) Air pollution and noise pollution will be less from cement plant as compared to Sponge Iron Plants.</p> <p>b) Industrialization will definitely develop the locality; therefore they will welcome the JSW for local development and local employment.</p>
7.	Sri Dharendra Behera, Vill.-Gangajal	Supports JSW for local employment. He demanded for 100 % local employment and control pollution etc.
8.	Smt. Pramila Minz, Vill.- Telighana	<p>a) Cement dust has been deposited over her land located adjacent to the factory leading to damage of crops and loss of soil fertility.</p> <p>b) Company has not assisted tribals and not constructed any good school/college in the locality etc.</p> <p>c) If all their land will be acquired for industry, what</p>

		they will eat; whether they will eat money, stone or mud. d) Strongly opposed the proposed expansion.
9.	Smt. Meena Barla, Sarpanch, Kandheimunda GP	a) Company has illegally started expansion work without prior permission from the Local Gram Sabha. b) People will suffer from respiratory illness like Asthma, Bronchitis and lung cancer due to air pollution. c) Nearby water bodies are polluted due to factory leading it unfit for human and animal use. Skin disease due to use of polluted water. d) Water scarcity for irrigation due to depletion of water level e) Local affected villagers shall be given opportunity for expressing their views f) Strongly opposed the project and public hearing due to aforementioned reasons.
10.	Sri Kanhu Charan Karali, Vill.-Biringatoli	Supports JSW for local employment
11.	Smt. Ashmita Tata, Vill.-Telighana	a) Dust deposition in their agricultural land leading to loss of productivity b) Water scarcity in the locality due to drawl of ground water by the company. c) Local public were deprived from employment rather outsiders were engaged with high salary d) Land is their mother and they will not sale it
12.	Sri Suresh Kumar Thrwan, Vill.-Kadheimunda	a) Layer of cement dust deposited over roofs of local habitants due to air pollution from the industry. Company should take preventive measure to control pollution and protect environment

Digitized by
Sri Suresh Kumar Thrwan
Kandheimunda

		<p>b) Local labours were deprived from appropriate wages; company should regularize the contractual workers and adopt safety measures.</p> <p>c) Labour union shall be there for protecting rights of the workers.</p> <p>d) He will support this public hearing if company fulfills the above demands.</p>
13.	Sri Bolo Kujur, Vill.-Telighana	<p>a) If this public hearing is successful than Tribal's will lose their land, there will be displacement and there will be water & air pollution.</p> <p>b) Displacement due to establishment for industries, dams etc is a very serious issue. Earlier displaced families of various projects like Mandira Dam, Rourkela Steel Plant, Hirakud Dam, OCL etc were dumped and they were badly treated.</p> <p>c) There was no road, school, post office, electricity in rehabilitation places. Government should visit the resettlement areas and verify the reality.</p> <p>d) They will not handover their land, water and forest to the company.</p> <p>e) As per Constitution of India in Tribal area public hearing is illegal therefore it should be cancelled. He strongly opposed the company.</p>
14.	Smt. Renuka Tirkey, Vill.-Telighana	<p>a) Why Government is conducting public hearing during Covid-19 pandemic. Earlier public were restricted from various Government services due to Covid.</p> <p>b) Government has adopted British rule in Tribal area and thought Tribals were fool. Company has engaged middle man to divide Tribal's. Therefore Tribal should unite.</p>

15.	Sri Leyro Ekka, Vill.-Telighana	<p>a) Telighana village is their mother and those middle man are trying to handover it to the company will face problem</p> <p>b) Air pollution, water scarcity is there and these will worsen if company will be expanded. Company is engaging local public as contractual labour and not paying proper wages to them.</p> <p>c) Company has not conducted Gram Sabha prior to public hearing; therefore he strongly opposed the company and appealed to the public to oppose it.</p>
16.	Smt. Lachha Kechhu, Vill.-Telighana	<p>a) She will lose their land. Company has earlier acquired Anabadi Land and now they have targeted for their Patta land. She opposes the land acquisition.</p> <p>b) Company has not employed local public rather outsiders were highly paid. Opposed the company</p>
17.	Sri Raj Minz, Vill.-Telighana	<p>a) Government along with Company adopted British rule in this Tribal area.</p> <p>b) There will be water pollution and issue of displacement.</p>
18.	Smt. Lalita Barua, Sarpanch, Kutra	<p>a) Development is limited only in paper works, however reality is different. The Administration should visit the affected villages and realize the situation. There is no protection of Environment.</p> <p>b) Public hearing is illegally conducted without prior intimation to the local public and local bodies.</p>
19.	Sri Abhilas Lakra	Supports JSW for local employment.
20.	Smt. Fulkeira Trikey, Vill.-Telighana	<p>a) Dust is getting deposited over their agricultural land, pond and everywhere due to operation of plant leading to crop produce is unfit for human consumption etc. Due to water pollution the</p>

Handwritten notes and stamps at the bottom left corner of the page.

		<p>surface water bodies were unfit for human as well as for domestic animal use.</p> <p>b) Tribal land cannot be acquired by anyone as per Government rule. Then why their land is acquired now. They are opposing this company</p>
21.	Sri Saroj Saronia, Vill.-Kadheimunda	<p>a) Huge cement dust is getting deposited over their roof top.</p> <p>b) Company has not undertaken any development under peripheral development.</p> <p>c) They are small farmers and if their lands will be acquired than how they will survive. They are friendly with farming and not with business. Government should also give land to farmers as they are giving land to company.</p>
22.	Sri Nael Kanduluna, Vill.-Kutra	<p>a) In last 30-40 years company has cheated and looted the local public.</p> <p>b) Today public hearing is conducted illegally and forcefully without prior intimation to the public.</p> <p>c) Due to establishment of company there was soil infertility and water scarcity. Therefore they don't want further expansion and company should relocate its factory to other place.</p>
23.	Smt. Sanjita Tirkey, Vill.-Telighana	Company has cheated the local public therefore she opposed the company.
24.	Sri Deepak Mahanandia, Vill.-Kiringsora	<p>a) JSW should adopt ways and means to control pollution, take steps for local employment and development.</p> <p>b) Supports JSW for local employment and local development</p>

Sri District Magistrate
 Sri District Magistrate
 Sri District Magistrate

25.	Smt. Susani Ekka, Vill.-Telighana	Opposed the company
26.	Sri Vivekananda Kishan, Vill.-Raibahal	Supports the company for local development and for employment. Company should also address the issues of Pollution, farmers and protesters etc.
27.	Smt. Basanti Lakra, Vill.-Telighana	They are fighting against company and they will not handover their land to the company. Strongly opposed the company.
28.	Sri Bijay Behera, Vill.-Biringatoli	He supports the company for local development and local employment.
29.	Smt. Hirmira Sarania, Vill.-Kadheimunda	a) Sever dust pollution due to operation of the company. b) During Covid-19 pandemic company has not helped the local public. She was denied by the Company authority for assistance and employment. c) Strongly opposed the company and they will not handover their land.
30.	Sri Johnson Barla, Vill.-Telighana	Layer of dust is getting deposited in nearby agricultural land and over mango trees due to operation of the factory. Most of the trees were died due to pollution. Therefore he opposes the company.
31.	Smt. Laxmi Lakra, Vill.-Kurunga	Supported the company for local development and local employment.

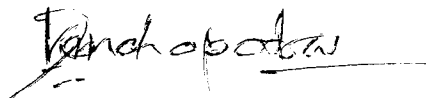

STATE OF ODISHA
GOVERNMENT OF ODISHA
DEPARTMENT OF INDUSTRIAL DEVELOPMENT
Bhubaneswar

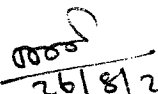

32.	Sri Daniel Tirkey, Vill.-Telighana	<p>a) Most of the locals are opposing the company and requested to the Administration not to force them.</p> <p>b) Dust is getting deposited over their crop due to operation of factory.</p> <p>c) About 500 people are residing and company will not be able to engage 50 persons. Therefore they are strongly opposing the company.</p> <p>d) They are ready to sacrifice their life but not land.</p>
33.	Smt. Sita Minz, Vill.-Kadheimunda	Strongly opposed the company. Company has cheated them and forcefully acquired their land. They are illiterate people and depend on farming. They will not hand over their land at any cost.
34.	Sri Madhusudhan Das, Social Activist	<p>a) Public hearing is illegally conducted by Administration, although there is huge prior protest. Local public are tribal and depend on agriculture.</p> <p>b) As per Government rule Tribal land can only be purchased by tribal. How JSW is acquiring land, whether JSW is Tribal and if so please display caste certificate of JSW.</p> <p>c) Local farmers and Tribal should not be displayed.</p>
35.	Smt. Seema Ekka, Vill.-Kandheimunda	JSW has undertaken development work of roads, supplied bench desk to schools, supported education and taken steps for skill development.
36.	Sri Litu Minz, Rajgangpur	<p>a) All the affected persons should be allowed to express their views.</p> <p>b) Due to extensive mining and Industrialization in Sundragrah District environment is getting degraded and Tribal's are also facing much difficulties.</p> <p>c) He opposed the public hearing being conducted for Environmental Clearance of JSW cement plant.</p>

(22)

37	Sri Jebiar Minz, Vill.-Telighana	a) The level of pollution will increase due to operation of cement plant. Earlier they have approached Delhi for venting their issues related to pollution, however there was no result. b) He appealed to the public to vigilant about pollution.
----	-------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

ADM then told on the issues raised by the public and asked M/s Shiva Cement Ltd. to explain people on the issues. Sri Amardeep Mohanty, Dy. Gen. Manager of M/s Shiva cement Ltd. clarified the people on the raised issues which are listed in the Executive Summaries at Annexures – A & B respectively in English and Odia. Regional Officer, Rourkela of State Pollution Control Board, Odisha then extended vote of thanks and ADM closed the meeting. 70 no. of representations received during the public hearing and video recording of the consultation (hearing) in pen drive are also annexed.
