

904  
PROCEEDINGS OF THE PUBLIC HEARING OF M/s. KIRLA SAND QUARRY OF SRI PRAKASH CHANDRA MEHER FOR PRODUCTION CAPACITY OF SAND 6179 CUM/ANNUM OVER AN AREA OF 10.117 HA AT-KIRLA VILLAGE OF BOUDH DISTRICT HELD ON 25.08.2021 AT: 11.00 A.M. AT: NEAR PLOT NO. 214. NEAR KIRLA, PATARPHADI OF BOUDH DISTRICT. (3)

Sri Aswini Kumar Meher, OAS (S), Additional District Magistrate (Revenue), Boudh presided over the meeting along with Er. Ramesh Kumar Ekka, Regional Officer, State Pollution Control Board, Odisha, Sambalpur.

At the outset, Regional Officer, State Pollution Control Board, Sambalpur welcomed all the public present in the meeting. He briefly described the objective of the public hearing conducted as per the provisions of EIA Notification No. S.O. 1533(E) of Dt. 14<sup>th</sup> September 2006 of the Ministry of Environment and Forests & Climate Change (MOEF & CC), Government of India. He also informed that the date, time and venue for conducting the public hearing meeting of the project proposed by M/s. Kirla Sand Quarry, At-Kirla Village of Boudh district for production capacity of sand 6179 Cum/Annum on 25.08.2021 At: 11.00 A.M. At: Near Plot No. 214, Near Kirla Patarphadi of Boudh district was duly advertised in Odia daily "**The Samaja**", dtd. 24.07.2021 and English daily "**The Times of India**" dtd. 24.07.2021. (Paper clipping are enclosed as **Annexure-I**).

The Addl. District Magistrate has also briefed about the proposed project and requested the public who were present during the public hearing meeting to express their opinions and views on the proposed project. He also requested the representative of the proposed project to highlight about their proposed project before the public.

On behalf of the project proponent, Sri Amresh Ratha, Environment Analyst of M/s. P & M Solutions, C-88, Sector 65, Noida, Consultant of M/s. Kirla Sand Quarry, addressed the public during the public hearing meeting. He briefly explained about the proposed quarry and assured the public that the project proponent will adopt requisite pollution control measures to prevent environmental pollution and also implement CSR activities for the welfare of the local village area. He informed that the proposed quarry namely M/s. Kirla Sand Quarry, AT/PO- Kirla, Dist- Boudh having Khata no.- 137, Plot no.- 214, Kissam- Nadi, total area- 10.117 Ha. or 25.0 Ac for production of sand capacity 6179 Cum/ Annum of lessee Sri Prakash Ch. Meher will apply manual mining method for excavation of sand. Study related to environmental sustainability has been done and from base line data taken during October 2020 to December 2020 shows that there is no adverse impact on air, water quality, soil quality, ecology and biodiversity

due to the mining of proposed quarry. The project proponent will spend Rs. 80,000 on CSR activity and EMP budget is Rs. 4,30,000. Based on the EIA study it is observed that there will be air pollution due to plying of vehicle in the transportation road which will be control by sprinkling of water and plantation activities.

The Addl. District Magistrate invited the public to offer their views on environmental related issues of the proposed project.

About 60-70 participants have attended the public hearing meeting and out of them 41 participants have put their signature in the attendance sheet whose list is annexed as **Annexure-II**. 13 persons have registered their name to deliver their views during public hearing and list is annexed as **Annexure-III**.

Statements of the public participated in the deliberation during public hearing meeting is as follow;

Sl. No.	Name of the Participants and their deliberation on the proposed project.
1.	<p><b><u>Sri JubrajDandwasi, Kirla</u></b></p> <ul style="list-style-type: none"> <li>• He welcomed and supported the proposed project.</li> </ul>
2.	<p><b><u>Sri Sumant Kumar Biswal, Lokapada</u></b></p> <ul style="list-style-type: none"> <li>• He welcomed and supported the proposed project.</li> <li>• He stated that if there will be a sand quarry then there is always a possibility of damage to the river banks due to erosion and pollution will occur on roads adjacent to villages due to mineral transportation. He urged the project proponent to mitigate the same issues.</li> <li>• He also stated that under no condition the project proponent shall excavate the mineral beyond Govt approved quantity.</li> </ul>
3.	<p><b><u>Sri SatyanarayanMeher, Palsagoda:</u></b></p> <ul style="list-style-type: none"> <li>• He welcomed the proposed quarry project for the benefit of the local people.</li> </ul>
4.	<p><b><u>Sri Daman Rana, Kirla:</u></b></p> <ul style="list-style-type: none"> <li>• He demanded before the authority to provide good transportation road to avoid air pollution caused due to plying of heavy transportation vehicles. He also stated that a committee should be form to restrict the problems arises due to sand lifting in tractors. He welcomed and supported the proposed quarry project.</li> </ul>
5.	<p><b><u>Sri Khirorudra Pradhan, Kirla:</u></b></p> <ul style="list-style-type: none"> <li>• He welcomed and supported the proposed quarry project. However, due to the road in the river bed there may be erosion in the river banks and the nearby agricultural lands will be flooded</li> </ul>

	with river water leading to crop damage. He demanded that the river banks should be strengthened to restrict erosion.
6.	<b><u>Sri KushaleswarBhati, Kirla:</u></b> <ul style="list-style-type: none"> <li>• He welcomed and supported the proposed quarry project.</li> </ul>
7.	<b><u>Sri Rabinarayan Panda, Gudvelipadar:</u></b> <ul style="list-style-type: none"> <li>• He welcomed and supported the proposed quarry project as the construction projects and development works of the locality will be benefitted and also the government will get revenue from it.</li> </ul>
8.	<b><u>Sri Himanshu Mishra, Kirla:</u></b> <ul style="list-style-type: none"> <li>• He welcomed and supported the proposed quarry project as the construction projects and development works of the locality will be supported ultimately benefiting the local people and also the government will get revenue from it.</li> </ul>
9.	<b><u>Sri SankarsanBaghar, Tundumal:</u></b> <ul style="list-style-type: none"> <li>• He welcomed and supported the proposed quarry project as the government will get revenue from it and everyone will be benefitted from quarry. However, the government should repair the transportation road which will be deteriorated due to plying of heavy vehicles of the sand quarry. He further added that the government should stop illegal sand mining activities taking place in different river beds.</li> </ul>
10.	<b><u>Sri Rohit Kumar Deepa, Kirla:</u></b> <ul style="list-style-type: none"> <li>• He welcomed and supported the proposed quarry project in order to get the local people benefitted out of it.</li> </ul>
11.	<b><u>Sri Sanjib Kumar Nayak, Tundumal:</u></b> <ul style="list-style-type: none"> <li>• He welcomed and supported the proposed quarry project.</li> <li>• He informed that all the government project works such as Indira Awas of the local area are being constructed by sand which are illegally excavated from river beds.</li> </ul>
12.	<b><u>Sri KurupatiPadhan, Saradhapali:</u></b> <ul style="list-style-type: none"> <li>• He welcomes and supported the proposed quarry project in order to stop illegal mining of sand.</li> </ul>
13.	<b><u>Sri Surubabu Deepa, Kirla:</u></b> <ul style="list-style-type: none"> <li>• He welcomed and supported the proposed quarry project, however, he further added that when the sand is excavated and water level comes out from the river, the water velocity will increase and river banks will be damaged due to erosion and resulting flooding takes place in agricultural lands. The project proponent should focus on strengthening of the river banks to minimize such flooding situation.</li> </ul>

(27)

Summary of the points raised by the participants in the public hearing are being read out by the Regional Officer and same in English and Odiya (vernacular language) is enclosed as **Annexure-IV (A & B)**.

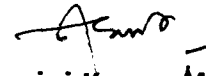

After the completion of the deliberation process the Addl. District Magistrate invited the representatives of M/s. Kirla Sand Quarry to give a brief note on the issues related to the demand and grievances of the participants raised in the public hearing meeting. The point wise response of the project proponent on issues raised by the participants during public hearing in English and Odiya (vernacular language) are also given in **Annexure-V (A & B)**. The video recording of the entire proceeding of the public hearing is enclosed as **Compact Disc (CD)**.

After the above-mentioned deliberation, the Addl. District Magistrate has announced the completion of public hearing over the proposed project and the Regional Officer has proposed the vote of thanks to the Chair as well as to the Participants present during public hearing.

The meeting ended with vote of thanks to the Chair.

# STATE POLLUTION CONTROL BOARD, ODISHA

(Department of Forest & Environment, Govt. of Odisha)

Parivesh Bhawan, A/118, Nilakanthanagar, Unit-VIII, Bhubaneswar-751012

No. 10060/

IND-II-PH-904

Date : 22.07.2021

## NOTICE

It is brought to the notice of all concerned that Sri Prakash Chandra Meher has proposed to have Environmental Assessment for Kirla Sand Quarry for production capacity of 6179 cum/annum over an area of 10.117 ha. in village Kirla under Kantamal tehsil of Boudh district to obtain Environmental Clearance from State Environment Impact Assessment Authority (SEIAA), Odisha. The proponent has applied to the State Pollution Control Board, Odisha, Bhubaneswar for a Public Hearing.

By virtue of Ministry of Environment, Forests & Climate Change, Government of India Notification No. S.O. 1533 (E) Dtd. 14.09.2006, the Board has been authorized to conduct environmental public hearing and as such invites suggestions, views, comments and objections on matters relating to environmental aspects of the proposed project from all the persons including bonafide residents, environmental groups and others located at the proposed site/sites of displacement/sites likely to be affected.

For the above purpose, a person will only mean:

- A. Any person who is likely to be affected by the grant of Environmental Clearance.
- B. Any person who owns his control over the project with respect to which an application has been submitted for environmental clearance.
- C. Any association of persons whether incorporated or likely to be affected by the project and / or functioning in the field of environment.
- D. Any local authority within any part of whose local limits is within the neighborhood, where the project is proposed to be located.

Persons as above who desire to submit their views, comments, objections etc. relevant to the project, may do so in writing within 30 days from the date of publication of this notice addressing the same to the Member Secretary, State Pollution Control Board, Odisha through Registered Post. Besides this, persons interested to submit their views relevant to the proposed mining project in writing or orally may also do so at the public hearing to be conducted on 25.08.2021 at 11.00 A.M. near plot No. 21, Kirmu, Boudh, near Kirla Patarphadi, Boudh district. Public hearing shall be conducted strictly observing guidelines contained in COVID - 19 protocols issued by the MoEF&CC, Govt. of India vide OM No.22-03/2020 dated 22.03.2020 as well as Govt. of Odisha.

Persons attending the public hearing may go through the Environmental Management Plan (EMP) of the said project at the following offices. Copy of the Executive Summary both in English and Odia is also available in the following offices & the same can also be obtained from the Board free of cost.

- 1. District Office, Boudh.
- 2. District Office, Parashad, Boudh.
- 3. State Pollution Control Board, Odisha, Parivesh Bhawan, Bhubaneswar-751012.
- 4. State Pollution Control Board, Odisha, Sambalpur.
- 5. Governor's Office, Bhubaneswar.

**POINTS RAISED BY THE PUBLIC DURING THE PUBLIC HEARING OF M/S. KIRLA SAND QUARRY CONDUCTED ON 25.08.2021 FOR PRODUCTION CAPACITY OF SAND 6179 CUM/ANNUM OVER AN AREA OF 10.117 HA AT KIRLA VILLAGE IN THE DISTRICT OF BOUDHAT 11.00 A.M. AT: NEAR PLOT NO. 214, NEAR KIRLA PATARPHADI, BOUDH**

The public raised the following issues and apprehensions for redressal by the project proponent.

1. The company authority should take precautionary measures for controlling an air pollution which will be caused due to transportation of heavy vehicles on the transportation roads adjacent to villages.
2. The company authority should take precautionary measures to minimize the river bank erosion due to sand mining in order to avoid river water flooding to nearby agricultural lands and private plots.
