Dr. Anup Kumar Mallick, Regional Officer, State Pollution Control Board, Regional Office, Angul & representative of State Pollution Control Board Odisha then invited the public to present their views about the proposed project on environmental consideration.

The views expressed by various speakers are as follows:

1	Sri Susanta Kumar Sahu, Jatia village
	He expressed that the jatia village people mostly depends on cultivation. There is only single road exists through which the truck will move from sand quarry to NH. During movement of sand loaded trucks the nearby crops surrounding the road side may damage and senior citizens will not able to walk properly on this road. There may happen accidents. Due to operation of sand quarry the villagers will not able to get any benefit. He requested to the District Administration to look into this matter.
