No. 10146 /Ind-II-NOC-Misc. - 170

Date 19.06.15

CIRCULAR

In partial modification to this office circular issued vide No. 4150 dt. 1.3.2006 and in pursuance of the decision taken in the 110th meeting of the Board held on 26.2.2015 and 111th meeting (Special) of the Board held on 30.5.2015, validity period for consent to operate for industries, mines and other installation under Red, Orange and Green category as per clause (III) of sub-section 4 of section 25 of the Water (PCP) Act, 1974 and sub-section 4 of section 21 of Air (PCP) Act, 1981 shall be regulated in the following manner.

- a) Consent to operate in respect of 17 categories of highly polluting industries including sponge iron plants shall be granted for minimum period of two years having fair compliance on payment of required fees, subject to condition that the updated compliance status of the concerned industries will be uploaded on their own website to bring the same on public domain at regular intervals.
- b) Consent to operate for projects under red category other than para (a) above shall be granted for a maximum period of five years on payment of the required fees adequate for five years.
- c) Consent to operate for projects under orange category shall be granted for a maximum period of 10 years on payment of the required fees adequate for 10 years.
- d) The Board approved for exemption of green category of industries from consent administration of the Board. This will be implemented after the approval of the Govt. in Forest & Environment Department. Hence, consent to operate may not be necessary for green category industries once the Govt. approves the proposal of the Board. However, till Govt. approval is obtained for exemption of green category of industries from consent administration of the Board, consent to operate for green category of industries shall be granted for a maximum period of five years on payment of the required fees adequate for five years as per this office circular No. 4150 dt. 1.03.2006.

- e) The project proponent has to undertake that in case the consent fee is revised upward during this period, they shall pay the differential fees to the Board (for the remaining years) to keep the consent order in force. If they fail to pay the amount within the period stipulated by the Board the consent order will be revoked without prior notice.
- f) The project proponents shall have to submit a declaration by 30th April every year that all the pollution control systems are in good condition and are being maintained properly, the emissions and effluent are conforming to the prescribed standard, and all the consent conditions have been complied with.
- g) The Board reserves the right to grant consent to operate for above mentioned category of projects for a period less than the validity period mentioned above if the status of compliance and track record of the industry is found to be not satisfactory.
- h) The Board reserves the right to revoke / refuse consent at any time during this period in case any violation is observed.

This order will come into force with immediate effect.
