Sub: Guidelines on Environment Management of Construction & Demolition Wastes and Dust Mitigation measures in handling construction materials and C & D Wastes developed by Central Pollution Control Board, New Delhi and Display of template of notice at construction sites-Reg.

Sir,

Central Pollution Control Board, New Delhi has developed and published "**Guidelines on Environment Management of Construction & Demolition Wastes**" as well as "**Guidelines on Dust Mitigation measures in handling construction material and C & D Wastes**" to disseminate an integrated approach for management of Construction and Demolition Waste. The guidelines have been formulated as per the Construction and Demolition Waste Rules, 2016 and are quite handy for the agencies involved in such activities. You are requested to please go through the guidelines which are available in the State Pollution Control Board website (www.ospcboard.org) or in the Central Pollution Control Board's website www.cpcb.nic.in and take necessary action as per the guidelines.

Further, in enclosing herewith the letter received from CPCB, you are requested to direct such agencies (contractors/develops/ builders/operators who generate waste more than 20 tons or more in one day or 300 tons per project in a month) involved in C & D activities within your jurisdiction to ensure compliance of the provisions of C & D Waste Management Rules, 2016 and the said guidelines prepared by CPCB as well as display of the enclosed template of notice at construction sites under your jurisdiction.

Action taken in this regard may please be submitted to the Board at the earliest.

Yours faithfully

Encl: As above
