

MANUAL-4

Norms Set for the Discharge of Functions

[Section-4 (1) (b) (iv)]

Major functions of the Board are to issue Consent to establish, Consent to operate under Water & Air Acts, Authorization under BMW Rules, HWM Rules, MSW Rules, Registration under Plastic Rules, etc. to the industries/organisations. In order to ensure that this process is not delayed the Board has set itself time limits within which the processes are to be completed.
