

STATE POLLUTION CONTROL BOARD, ODISHA

A/118, NILAKANTHANAGAR, UNIT-VIII, BHUBANESWAR – 12.

ADDITIONAL FORMAT

FORM FOR CONSENT OF URBAN LOCAL BODIES

Application for consent for discharge / continuation of discharge under Section 25/26 of the Water
(Prevention & Control of Pollution) Act, 1974
(Central Act 6 of 1974)

(To be furnished in triplicate)

From :

To

The Member Secretary,
State Pollution Control Board, Odisha
A/118, Nilakanthanagar,
Bhubaneswar-12

Sir,

I / we hereby apply for consent under section 25/26 of the Water (Prevention & Control of Pollution) Act, 1974 (Central Act 6 of 1974) to bring into use any new or altered outlets for the discharge of sewage on land / from the premises owned by _____

for a period from _____ as per details given in the Annexure.

2. The annexure, appendices, other particulars and plans are attached herewith in triplicate.
3. I/we further declare that the information furnished in the annexure, appendices and plans is correct to the best of my / our knowledge.

4. I/we hereby assure that in case of change either of the point of the quantity of discharge or its quality, a fresh application for consent shall be made and until such consent is granted, no change shall be made.
5. I/we hereby agree to send to the Board, an application for renewal of consent at least one month in advance of the date of expiry of the consented period for outlet / discharge, if to be continued thereafter.
6. I/we undertake to furnish any other information within one month of its being called for by the Board.
7. I/we hereby agree to pay the prescribed consent fee as and when intimated by the Board.

Yours faithfully

Accompaniments:

- (i) Index / site plan.
- (ii) Detailed layout plan showing sources of water supply, rivers, water treatment works, storm drains, nallaha and sewage / effluent treatment works etc.
- (iii) Sewage treatment flow sheet.
- (iv) Copy of latest analysis report of sewage / effluent.
- (v) Map showing garbage disposal sites.

Note: Strike out entries not relevant.

OUTLET / DISCHARGE

EXISTING

ALTERED

NEW

Note: Any applicant knowingly giving incorrect information or suppressing any relevant information shall be liable for action under section 42 of the Act.

While filling in this annexure the applicant shall, for such of the items not pertaining to this activity state "Not Applicable" against the relevant one and not have any blank.

1. Full name of the applicant
With address

Telephone No.

Telegraphic address

2. Full name of the Local Body
With address

Telephone No.

Telegraphic address

3. Location of the Local Body

District

Taluk

Area (In sq. km.)

4. Month and year from which
Local Body is functioning

5. Status of Local Body

Corporation

Municipality / NAC

Special Grade-

Selection Grade-

Grade I / Grade II-

Grade III / Cantonment Board/

Town / Village Panchayat / any other
Local Authority.

6. (a) Population –
 - (i) As per latest census records
 - (ii) Present population

- (b) Population covered under regular Sewerage facilities.
7. (a) Number of the Industries within the Jurisdiction of the Local Body.
- (b) Number of industries discharging effluents Into sewers / gutters/
8. (a) Sources of water supply for the Following uses
- (i) Domestic
 - (ii) Industrial
 - (iii) Other uses (specify)
- (b) Whether the water supplied is treated?
 - (c) If yes, give details
 - (d) Is the drinking water supplied to the Public regularly analysed and declared Safe by a competent authority?
 - (e) Give details of the Chemicals and Bacteriological analysis of the water supplied to the Public (attach analysis report).
9. State daily quantity of water utilized for the Following uses (in kilo liters).
- (a) Domestic
 - (b) Industrial
 - (c) Other area (Specify)
 - (d)
10. State the daily maximum quantity of effluents Arising from the local body for which the Application is made: (in kilo liters).
- (a) Sewage
 - (b) Sullage
 - (c) Industrial effluents
 - (d) Total
11. State whether storm water drains are kept Separate from sewage.
12. (a) Is industrial effluent allowed to mix With domestic effluent ? Yes / No
- (b) If yes, state the ratio Domestic: Industrial: Yes / No
13. State, if any treatment for sewage is made

- (i) If yes, state the process of treatment
In brief (separately)
- (ii) If no, give proposals and time bound programme.
14. Is there any proposal for disposal of Already made Proposed to be made
(a) Sewage over land for irrigation Yes / No Yes / No
(b) State area of land used in
 Hectares for (a) above.
15. Give quantitative disposal of sewage per day into
Places mentioned below: (in kilo liters).
- | | Domestic | Industrial | Combined |
|-------------------------------|----------|------------|----------|
| (i) Stream / River.. | | | |
| (ii) On land for irrigation.. | | | |
| (iii) Lake / Pond .. | | | |
| (iv) Tidal water.. | | | |
| (v) Estuarine water | | | |
| (vi) Ocean / Sea.. | | | |
16. (a) is sufficient land available / can be Yes / No
 Made available in case using of sewage
 On land for irrigation has to be considered?
- (b) If yes, area of land available (in hectares).
17. Give details of composition of sewage before Before treatment After
treatment
Treatment and after treatment
- (i) B.O.D. 5 days 20^oC mg/l
- (ii) Total suspended solids mg/l

Note:

1. Furnish a copy of analysis report of representative sample.
 2. Methods of analysis as approved by the Board will have to be followed for determination of above mentioned parameters.
 3. In case of local bodies receiving industrial effluents into municipal sewage system the Board may prescribe additional parameters for submission of analysis reports.
-

18. State the details of solid waste on MT /KG/Day :

Description	Garbage / Reuse	Night soil, Septic tank Sludge	Industrial Solid Waste	Sludge from water / waste treatment plant

(a) Quantity

(b) Method of collection:

1. Mechanical / manual
2. Number of lorries, tankers
Used per day.
3. Number of persons employed

(c) Method of disposal:-

1. Sanitary land filling reclamation.
2. Composting
3. Incineration
4. Any other

(d) Area used / available for handling/ disposal
Of solid wastes (in hectares).

Name and address of the applicant:
(on behalf of)

Name and address of the local body:

EXPLANATORY NOTES FOR FILLING IN THE FORM AND THE ANNEXURE

The notes are given only for those items for which explanation is considered desirable.

Form:
