OFFICE MEMORANDUM

Revision of timelines stipulated for compliance of various time bound action points in Consent to Operate order issued to various Mining Projects and Other Units with validity period beyond 31.03.2020

State pollution control Board, Odisha has granted consent to operate to various Mining Projects and Other Units with validity period beyond 31.3.2020. While disposing such applications, certain time bound action points, with specific time limit, were stipulated in Consent Order for compliance.

1. The Mines and Other Units shall operate their units with all other pollution control measures, as per the stipulations in consent to operate.
2. In case any unit has submitted Bank Guarantee for improving pollution control system, but unable to complete the activity within the stipulated time limit, they may apply separately for extension of the time limit.
