Sub: **Refusal of Hazardous Waste Authorization.**

Sir,

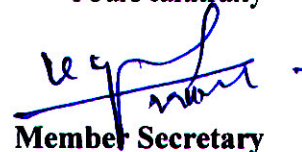

With reference to the subject cited above, it is to intimate you that you have applied for collection and transportation of Used Oil / Waste Oil from the state of Odisha for utilization. It is to intimate you that, S. P. C. B. Odisha in its 119th Board meeting held on dtd. 29-06-2019 has taken the following policy decisions;

- i. Priority shall be given to the actual user units established inside the state of Odisha for utilization of Hazardous Waste to have control over proper utilization, disposal and management of Hazardous Waste.
- ii. The Board may allow establishment / authorization of actual users / recyclers of Hazardous Waste (HW) inside the state up to a capacity 200% of generation of HW per annum and in case the Hazardous Waste cannot be utilized by the actual users inside the state or there is no such actual user operating in the state, the Board can authorize actual users of the other states for collection and interstate transportation of balance quantity of the Hazardous Waste to avoid accumulation of Hazardous Waste at the site of the Generator.

Further, it is to intimate you that, the authorization capacity of actual users operating inside and outside the state has already exceeded 200% of generation of Used Oil / Waste Oil inside Odisha and there is no surplus material available in the State.

Therefore, your application for authorization for collection and transportation of Used Oil / Waste Oil from the State of Odisha is hereby refused.

Yours faithfully

Sub: NOC for lifting and transportation of Hazardous Wastes from Odisha to Assam.

Ref: Authorisation Order No. 5028, dtd. 24-05-2019 of your unit under Hazardous and Other Wastes (Management and Trans-boundary Movement) Rules, 2016.

Sir,

This is to inform you that, you have been authorized by SPCB, Odisha vide the aforesaid order under reference for disposal of Used oil/Spent oil/Oily sludge/Emulsion/Slop oil through Actual Users authorized by the Board. An Actual Users operating in the State of Assam has applied for collection and transportation of Oily Sludge @ 650 MT generated from your unit. He has also referred MSTC, Bhubaneswar Delivery Order no. MSTC/BBR/21-22/410, Dtd.11-10-2021 for lifting of 650 T of Oily sludge from your unit. But such Actual Users has not been authorized by the Board for either Waste oil or Oily sludge. Further, it is to intimate you that earlier application of this unit for collection and transportation of Used oil/Waste oil from Odisha to Assam was refused by the Board vide this office Lr. No 3064 dtd.01.03.2021.

Thus, you are not complying with the conditions imposed in the authorization order issued to your unit. It is not known how the unit has obtained delivery order from MSTC, Bhubaneswar for lifting of Oily Sludge from your unit.

Please note that the list of authorized Actual Users of Odisha and outside Odisha is available in the website of this Board and SPCB, Odisha is not allowing any new Actual Users involved in the recycling / reprocessing of Used / Spent Oil and Waste oil including Oily sludge to collect and transport such hazardous wastes from the state of Odisha for recycling/re-processing outside the state. So, it is not possible to authorize M/s Allied Industries, Assam for collection and transportation of such Hazardous Wastes from the state of Odisha. You have to mention clearly in the auction that the re-processors / recyclers having valid authorization from SPCB, Odisha for collection and transportation of the particular hazardous waste from your unit in Odisha are eligible to participate in the auction.

Therefore, you are requested to take necessary action to cancel the work order and refund the Security Deposit/EMD if any deposited by the Actual User under intimation to the Board.

Yours faithfully,

Member Secretary

Sub: **Suspension of Authorization for Collection, Transportation and Re-processing of Aluminium Dross Residue/ Rejects.**

Ref: **This office letter No. 18321, dtd. 18.11.2021.**

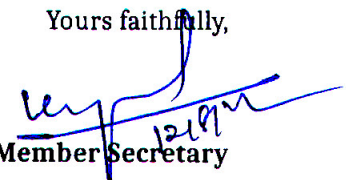

Sir,

This is to inform you that you have been granted authorization by this Board vide above referred letter of this office for collection, transportation and reprocessing of Aluminium Dross Residue/Rejects (generated after reprocessing Aluminium Dross) for manufacture of Synthetic Slag.

In the meantime, an actual user of Aluminium Dross Residue/Rejects of Odisha has represented that they are not getting sufficient wastes to run their plant. The Board in its 119th Board Meeting held on 29.06.2019 has also decided to give priority to the actual users of Odisha over other States for utilization of hazardous wastes. So, no further opportunity can be given before revoking authorization of your unit.

Therefore, authorization granted to your unit vide above referred letter of this office is hereby revoked and kept under suspension till further order. You are instructed to not collect and transport such wastes from the State of Odisha henceforth.
